The Nyack Fire Department is holding a truck dedication for our two new fire trucks, Jackson Hose Co. #3 and Highland Hose Co. #5, on October 14, 2017 at the Catherine Street quarters. We are requesting permission to close Catherine Street from 4:9:00pm on this date. Asking the assistance of the Nyack Department of Public Works to set up barricades from Route 9W to Department of Public Works building and bottom of Catherine St & Midland Ave advising. No thru Access. Also to set up barricades to close off the firehouse parking lot. Please advise if any issues with these requests.
