REQUEST FOR WATER METER INSTALLATION or REPLACEMENT

The undersigned owner of real property serviced by the Village of Nyack Water Department (VNWD) requests that the VNWD install a water meter at the following service address: _____.

Water service is presently being or will be provided to the subject property via account number _____.

I agree to pay \$_____ for a ____ -inch water meter prior to VNWD scheduling the delivery and installation of the requested meter.

If the requested meter is larger than one-inch (1"), the undersigned owner agrees to pay VNWD \$ _____ for a _____-inch meter and further agrees to arrange for pick-up and installation of said meter.

The owner agrees to abide by any and all rules and regulations which may at any time be adopted by the VNWD.

The undersigned agrees to hold the Village of Nyack and the Village of Nyack Water Department, its agents and employees harmless from any plumbing problems which presently exist or may arise as a result of metering the subject property.
