Description

The Nyack Marina and launching area is in need of a Water and Soda machine. As an authorized vendor, we would like permission from the Village to place a Pepsi vending Machine on site. The Machine can be placed between the information shed and the kayak rack or any other suitable location. The machine will have a security camera installed and will be locked down in place. The products and machine will be insured for damage and theft, releasing the Village of any and all liability.

As independent operators, we take full responsibly for maintenance, repairs and stocking the machine.

Please consider this for the upcoming Spring. Having water and soda available to Marina members and visiting residence will be convenient and much appreciated. Please call me to discuss this in further detail. (845) 494-5966

Dear Jennifer Hetling,

On behalf of, Head Start Of Rockland, Inc. I am writing to inquire about using 85 Depew Ave in Nyack, New York for Head Start's Spring Health and Wellness Fair. It will be held at Head Start of Rockland's Nyack Location on Thursday, April 26th 2018. Ideally, the fair would take place from 2:30pm to 5:30pm. We would like to host it as an outdoor event, utilizing the space between Nyack Plaza and Liberty Street if possible. I would be very grateful if you could provide me with as much information as possible on use of this space along with any application forms, guidelines and any advice on health and safety/food regulations and licensing you may have.

Head Start of Rockland is a comprehensive early childhood program licensed by the State of New York and is also accredited by the National Association for the Education of Young Children (NAEYC). Subject: Proposal Event in Nyack Memorial Park

Hi Jennifer,

I just spoke with you on the phone. My name is Tim Abraham and I am very interested in having a wedding proposal in Nyack Memorial Park in the gazebo right by the newly renovated pier. I am requesting permission from the Village of Nyack to have this event on March, 24 2018 evening time before sunset (5pm-7pm).

I was planning on putting up white Christmas lights all over the gazebo, and possibly on the wooden pier. So I am hoping there is some sort of electrical outlet close by to make it work. Then after the proposal, we will be taking pictures with everyone on the pier. The whole event shouldn't take longer than 2 hours that evening.

I am very excited to start a new chapter in my life and I am hoping it all begins at Nyack Memorial Park! I look forward to hearing from you soon. My contact details are below.

Thank you!

Hello Village Hall,

I just wanted to send a thank you for the friendly Christmas tree lighting event! We just moved over the bridge from Tarrytown to Tappan and absolutely love Christmas here. We heard about your event through a friend and were so glad to attend. My toddler daughter talked about the frog dress up character, the robot from Sanitation department and of course Santita on fire truck for weeks leading to Christmas. For a 2 year old and our infant Q months old, they were just overly excited with joy. A smile is a small curve that straightens everything out. #10000
was so so kind + gracious.

for the town to hand out gifts for the children AND for the Moms. I was truly touched. My Aunt, cousins and Mom also attended with us + had fun.

Mrs. Chaise even gave my Mom a sleep mask gift for being Grandmom!!

Thank you so much for providing this type of holiday cheer for families in the community. It's a great way to help you are off to a great year 2018.

Kind regards,
